

PUZZLING PERCENTAGES – SHEET 1

Find the following percentages without using a calculator

Hint: $11\% = 10\% + 1\%$ and $9\% = 10\% - 1\%$

100%	10%	5%	15%	1%	11%	9%	16%	99%
200								
150								
90								
130								
270								
315								
561								
934								
65								
146								
47								
39								
16.5								
29.6								
45.8								
36.7								
87.6
